

FINGERPRINTING INSTRUCTIONS FOR NEW VOLUNTEERS

Our insurance company requires that all of our volunteers be fingerprinted to assure that none of them has a criminal record. We have obtained authorization from the California Department of Justice to fingerprint via independent scanning services, thus allowing you to choose from four locations in San Francisco. The fee is approximately \$35 and The College Bound Foundation would be happy to mail you a reimbursement check upon your request via email to Farley Neuman at fneuman@jgn.com.
